Ref: Public Records Act Request
 CAL FIRE Marshal Vision Logs
Our Ref.: 19-P-0751

Dear Mr. Mead:

The Department of Forestry and Fire Protection, CAL FIRE, received your Public Records Act request and is currently searching its records for responsive documents.

Due to the need to search for and collect requested documents at a CAL FIRE facility not located at CAL FIRE Headquarters in Sacramento, California, I am extending the time to respond to your request until August 19, 2019.

California Government Code Section 6253(c)(1) authorizes an extension of the time required in which to respond to a PRA request due to “[t]he need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request.”

Please note, CAL FIRE will make every effort to provide responsive documents to you as quickly as possible.

Sincerely,

A handwritten signature in black ink, appearing to read "REBEKAH GIBSON".
